How the match works

1. Make your gift

Give at any tier from \$250 (Roots) to \$250,000+ (Crown).

2. Your gift is doubled

Our anonymous founding donor matches every dollar, dollar-for-dollar.

3. The cap is \$250,000 in matching funds

Once we collectively raise \$250,000 in matched gifts, the founding donor has fulfilled their full pledge.

4. Every level on the giving tree counts

The match applies to every gift, large or small — so a \$250 Friend of the Farm becomes a \$500 contribution.
